Farewell Reception to Prominent Farm Family

On Monday, June 12, the Jutland and Lone Pine community were hosts at a farewell party in honor of Mr. and Mrs. William Lyons, their son, Howard, and Norman Roy, who is Mrs. Lyons' brother. After 25 years of residence in the Didsbury district, they are leaving to make their home in British Columbia.

Fred Metz was Master of Ceremonies during the musical programme which included songs by Miss Haste, Betty Bowman, Margaret Sullivan and Mr. and Mrs. Tolman, also instrumental selections and the Highland Fling by Evelyn Dowell, and a piano duet by the Bowman sisters. Kenneth Burns, accompanied by Mrs. Goud, lead in the community singing.

Mrs. Coates and Mrs. Otto Bittner gave a "Claire Wallace" skit, in which the Lyons family was highlighted from the time they came to Didsbury from A. I. m. a, Ontario, through Mr. Lyons' intensive purchased stock business (at one time having imported shorthorns from Scotland), his interest in the ball team, and Mrs. Lyons' work with the Women's Institute up to the present. Mr. W. A. Austin spoke on behalf of the town of Didsbury, recalling the similarity of the names — William Lyons and William Lyon McKenzie King. Fred Metz spoke for the Lone Pine community, recalling the days when he and Mr. Lyons used to chase their cattle in to Didsbury on horseback, and the fun Mr. Lyons had with hockey. On behalf of the community, he presented Mr. and Mrs. Lyons with a travelling ensemble, a suit case and club bag, and Howard and Norman Roy with pen and pencil sets.

In replying to the good wishes, Mr. Lyons said when one came to his time of life, the thing that mattered most was the friendship and goodwill of his neighbors, in this, he and his family had been richly endowed in the Didsbury and Lone Pine community.

Calendars Cause Dominion Day Holiday Confusion

Regardless of what the calendar may say, Canada is celebrating Dominion Day this year as usual — on Saturday, July 1.

The official date remains July 1, and a survey by The Canadian Press last week showed that cities across the country are celebrating that day, although here and there a few industries are taking the day off on July 3, the first Monday of the month.

Dominion Day is one of the six wartime statutory holidays. Early last year it was decided to celebrate the holiday on the first Monday in July, but before the day arrived an order-in-council was passed reinstating July 1 as the observance date. A number of calendars for 1944, however, were printed with the holiday date shown as July 3, which led to some confusion this year. The state secretary's department at Ottawa recently made it clear that the date is the first of the month.

Air Cadet Inspection

The annual inspection of the Didsbury Squadron of Air Cadets was held on Monday evening with Wing Commander O'Brien and P/O Frazer, of the No. 4 Training Command, as inspectors.

The squadron gave a demonstration of a precision drill with the Cadet Bugle Band.

The officers also inspected the orderly room and equipment, and were shown a model wind tunnel and epidiascope built by F/S C. W. Johnson and Sgt. F. C. Haley, and computers built by Cpl. Bob Mortimer and LAC Clarence Youngs.

Mr. and Mrs. H. D. R. Stewart of Calgary, are visiting their daughter, Mrs. Lynch-Staunton.

The Intermediate C.G.I.T. is having a Tea and Apron Sale on June 24, in the Knox Church basement, from 3 to 6 p.m.

LAC Jim Sinclair, of the Bombing & Gunnery School, Lethbridge, spent a leave last week at his home.

"Now Voyager", starring Paul Henreid, Bette Davis and Claude Rains, at the Didsbury Theatre this week. Don't miss it!

Mr. H. Morgan is attending the Convention of the Alberta Postmaster's Association, which is being held at Calgary this week.

Mr. Ted Culling returned to Vancouver Wednesday, and was accompanied by Miss Verla Sanderman.

The wet weather last week made the roads so bad that it was impossible to hold the Beef Club Field Day at Ed Klineck's farm last Saturday. The field day has been postponed until July 3rd.

BRITISH NAVY'S 'POCKET' CARRIER
Aboard one of the Navy's "pocket" escort carriers, which are proving such an effective counter weapon to the U-boat. Picture shows a Swordfish going down the lift of one of the latest of Britain's escort carriers. A second aircraft in charge of it crew is waiting. Note the extreme narrowness of the bridge from which the ship is controlled.

Didsbury Fair On July 19th

A list of special prizes offered at the Didsbury Fair, is to be found on another page.

The long list of specials, together with the regular prize money, make the awards worth while.

In the cattle section, the Alberta Hereford Breeders' Assoc. is offering \$50.00 in specials in the Hereford class, and a prominent shorthorn breeder has duplicated this amount in special prizes for the shorthorns.

The Didsbury Dairy Calf Club has quite a substantial prize list and arrangements are being made to see that every member who makes an exhibit will receive an award.

Particulars as to calf club's prize list will be published later.

Community Auction Sale Postponed

The community sale which was to have been held on Saturday last, had to be postponed on account of the bad roads which prevented the hauling of the goods to town.

Mr. R. W. Foster, the auctioneer, says he will hold the sale on Friday, June 30.

United Church Notes.

Sunday, June 25th
Special Dominion Day Patriotic Service will be held in the Knox United Church, Didsbury, Sunday evening, at 7:30 p.m. "Canada" will be the subject. You are cordially invited to attend this service, commemorating the 77th birthday of our Dominion.

Evangelical Church Notes

"The well of Bethlehem" will be the theme on Sunday morning at 10:30. David desired water from the well of Bethlehem because he was in despair. Many Christians now desire more power to live for Christ.

The children's day programme will be presented at the evening service at 8:00 p.m. The offering will go for missions. Support the children as they present this programme, and also have a part in the missionary cause.

Services will be held at Bethel at 2 p.m.

"S" DAY

DO YOU KNOW that 25c buys 12 bullets for the armed services?

DO YOU KNOW that the daily consumption of ammunition of all kinds in this war has exceeded the highest weekly consumption in last war.

DO YOU KNOW that the more we use of it and the heavier the fire power of our soldiers, sailors and airmen, the more lives we are saving for a triumphant return home?

Do You Know that the cost of rifle ammunition to the Canadian Government is one of the lowest of any of the Allied Nations?

If you do know all this, think how important your 25c War Savings Stamp purchases will be to yourself, to Canada and to the Armed Services on "S" Day, which is to be held on June 30th. Let's all get on the band wagon and do ourselves a favour by being "Bullet Buyers".

Advanced Registry Field Day at Olds

Swine breeders and those interested in promoting the swine industry, will meet at the Olds School of Agriculture on Saturday, June 24. This is the date announced for the third annual Advanced Registry Field Day.

The programme will commence at 1:30 p.m. Advanced Registry will be discussed in relation to breed type, progress made in the Dominion, and what Advanced Registry means to the breeder and the commercial industry. Among the speakers will be Dr. R. D. Sinclair, University of Alberta; A. W. Peterson, Chief of the Live Stock Production Service at Ottawa; and R. C. Marler of Bremner. Advanced Registry work and results at the Feeding Station in Alberta in 1944 will be summarized in a talk by N. Curtis, of the Live Stock Production Service, Edmonton.

There will be plenty of time for discussion. All interested in the swine industry are cordially invited to attend the Field Day at Olds on Saturday, June 24.

The World of Wheat
by H. G. L. Strange**WEEDS TAKE THREE BUSHELS TO THE ACRE**

The National Research Council, with the aid of our prairie Universities, and the Dominion Experimental Farms, has recently finished a survey in which they attempted to find out the amount of the crop taken each year by weeds.

The results are startling. They calculate that weeds take about 20% of all crops each year, which amounts to approximately 3 bushels of wheat to the acre, and in total money value comes to over \$30,000,000.00 a year, which farmers lose because of the moisture and plant food stolen by weeds growing in the grain crops.

It is perhaps impossible to farm on our prairies under present conditions without any weeds. It does seem, however, as though the great losses taken by weeds could be cut down considerably. It must be remembered that this loss of 20% represents net profit which the farmer has actually worked for, and earned, when he ploughs and cultivates his land, sows and harvests his crop. It is exactly as though, after he had sold his grain, and put the money in the bank, some one had come along and stolen 20% of his money.

Evidently it is worth while going to considerable trouble to kill weeds.

Total Canadian Losses 32,160 to End of April

Army's Casualties reach 18,390
And R.C.A.F. 12,457

Casualties suffered by the Canadian Army from the outbreak of war to April 30, totalled 18,390, it was disclosed today by the War-time Information Board in its monthly publication "Canada at War".

The last official total, announced by defence headquarters April 25, covered a period up to February 29, and was given as 16,768.

The new tabulation showed 6,133 dead, 381 missing, 3,651 prisoners of war, and 8,225 wounded.

The prisoner total does not include 55 men who have been repatriated or escaped.

The dead total includes officers and men who have been killed in action, died of wounds, died of injuries, died while prisoners, presumed dead, and died of natural causes.

The defence headquarters announcement gave the total navy casualties as 1,313, and the airforce as 12,457. The W.I.B. publication does not bring these figures up to date.

Melvin Notes.

Congratulations to Cpl. and Mrs. Jay Chandler on the birth of a daughter.

The Melvin Red Cross group will meet at the home of Mrs. Albert Schneidmiller on July 6. Another quilt will be tied.

On Sunday Melvin soft ball team went to Carstairs and lost to the Carstairs boys 3-4. That same evening they won on the home ground from the Hawkeye team 9-6.

Don't miss the softball tournament at Melvin July 5th. There will be a big dance at night.

Miss Bessie Wollen returned last weekend from Buford, Alta., where she has spent some time with her brother.

Cremona Notes

Dog Pound ball team played Cremona at Cremona on Sunday the 11th, losing 18 to 8.

A large crowd gathered at the home of Mr. and Mrs. C. W. Franklin on Wednesday, to celebrate the newlyweds, Mr. and Mrs. Raymond Franklin. After a long, unsuccessful hunt for the bride and groom, the crowd left, upon which the newlyweds emerged from the cellar.

Don't forget the sports day and dance at Cremona on July 3rd.

When harvesting starts this season considerable space will be available for deliveries of grain in country elevators. Many customers of Alberta Pool Elevators have been prevented from delivering to these elevators in the past few years due to congestion of facilities.

This fall they likely have the opportunity of again becoming patrons of this farmer's grain organization.

You won't get to Berlin in an Armchair!

OVERSEAS BADGE OF HONOUR
GS
WEAR IT ON YOUR ARM

If Canada and the United Nations had depended upon "Armchair Soldiers" to fight this war, the Nazis and Japs would have grabbed this country long ago.

There is no "Royal Road" to Berlin. It's fighting all the way and Canada's Army needs every man it can get. That's why, today, you should volunteer for overseas service. You'll need months of intensive training to make you fighting-fit.

Don't be a stay-at-home and let the other fellow do it. Get into a man's uniform with the G.S. badge of honour on your sleeve. If we're going to win this war, we'll have to do more than just read about it in the papers.

So, come on you fellows, the good old army has got to finish the job!

**Inflation and Deflation... Evil Companions**

Past wars have always brought some degree of inflation.

Goods were scarce... Prices and wages sky rocketed to unnatural heights.

Then one day the war stopped...

In due time goods became plentiful again.

Scarcity prices could no longer be demanded

and "spiralling" prices went "pop"

and came down with a bang.

people stopped buying because they thought prices would go still lower

merchandise dropped in value, retailers went bankrupt

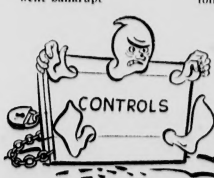

factories closed and unemployment followed

farms were foreclosed

distress was general and deflation was in the saddle.

That is why in this war prices are controlled—so that they will not ruin buyers in a rise or sellers in a slump.

Price ceilings, wage and salary controls—rationing—Victory Bonds—increased taxation—are all part of a grand strategy to head off inflation—thus preventing Deflation.

The Girl Guide Rangers have started a very laudable project, one which is a rather large order for so small a group. They are planning to furnish a ward in the proposed new Didsbury Hospital. Tickets are being sold in a prize drawing for a chest of silver to help along with this project

Remember our boys and girls in the services, write them letters and more letters. By attending the K.I.T. Club every Tuesday evening, you will make sure you get a few letters away each week. How the boys do appreciate letters from the home town. This is our small part; can we do less?

In spite of inclement weather there was a big crowd at the Wm. Lyons sale on Thursday last, and the prices obtained at the sale were very satisfactory. Mr. and Mrs. Lyons and son, Howard, will leave this week by car for the coast, where they intend looking for a new location. They will also visit friends en route. We wish them every success, but hope to see them back again.
